"When Revera Birkdale Place Retirement Residence told us they have a new promotion where they pay for your downsizing/moving services, the move of my mother to Birkdale was a 'no-brainer!' **Your team was great! You couldn't have done anything better.**

It was really fun. The team remembered where everything was before the move and placed everything in its place during the move in. You and your team are super friendly! You came in, did it and it was done so quickly.

My mom's new suite at Birkdale looks and feels just like home! Our family is grateful that Revera referred you AND paid for the move."

Thank you, Ann Ryan, for the referral to this lovely lady! "We hired Downsizing Solutions to clear out mom's home after she had moved to a retirement residence and in order to clear the home of personal possessions. Mary, Jennifer and Leanne were an absolute pleasure to work with! Jennifer and Leanne boxed and packed the whole house very efficiently. The next day Jennifer showed up to do the cleaning in preparation for the sale. Holy smokes did she do a fabulous job! The house was spotless when she left! My stress levels were so relieved when I realized how efficient these ladies were!

I am so grateful for the service provided by Mary's company! Job well done!" ~ Maureen L, Burlington | <https://ryanteam.ca/>

"The task that we gave Mary at Downsizing Solutions was to pack up a house that had been lived in since 1965. Mary and her team had it done in 3 days with lots of fun and laughter. We could never have done it without your excellent service through all the stages. We will highly recommend you. Feel free to give our contact information to anyone for a referral!"

Another great move at the beautiful Pearl & Pine Retirement Residence today.

"Thank you to Pearl and Pine for the amazing referral to Mary and her team. Mary and her crew did an outstanding job making a very emotional and difficult move for our mom, as well as the family, easy and fun at the same time. The entire team was incredibly professional throughout the experience. Their service is truly 'white glove'. I would highly recommend Mary and her team to anyone who needs that extra comfort and care when they need to either move themselves or an elderly

family member. They handled everything from beginning to end and helped with all the logistics. This made us feel less anxious because our mom was really going to be cared for. They paid attention to all the details and put everything in its place so she would immediately feel at home. Thanks, Mary." ~Jackie and Mike, Burlington

Another fun move into Grandview Retirement Living!

"I would like to say thank you to Downsizing Solutions! My house downsize and move was a huge undertaking and you made it much more easier for me. You were great helping me make decisions on what to keep and donate. I loved looking back at pictures and sharing the memories with you ladies. You were very patient and understanding.

We had a lot of great laughs together and the girls were a hoot. Grandview has many activities and entertainment to keep me busy from just staying in my suite. When I walked into my new place at Grandview, it was like out of a magazine...everything was in its perfect place...it's like one of those shows on TV, before and after. You have a lot of talent in what you do. You ladies were so thoughtful. It was my birthday and you surprised me when I got to my room to see it for the first time. You had cupcakes, balloons and beautiful flowers for me. I have been talking about Downsizing Solutions to others and I highly recommend you." ~Lynda H., Stoney Creek

Another great move into Heritage Place Retirement! Thanks [Sarah Ashley Feere](#) and [Sarah Logue Remax](#) for the referral!

"My husband I felt it was time for us to move to retirement living. We didn't know how to go about it. [Team Logue - REMAX Escarpment Realty Inc.](#) told us about Mary Dilly at Downsizing Solutions and her team.

We knew we couldn't do it ourselves and all our family lives up north. We called Mary and she told us she would do everything and not to worry about a thing. What we brought to our new suite was perfect. Our suite looked just like home and the pictures were hung in the perfect places.

The team worked morning to early evening to make sure our suite was perfect. We have been taken well care of here at Heritage Place! The staff are very friendly, and the food is absolutely delicious. We can't wait for the next meal.

Please, if you're looking for downsizing and/or moving, call Mary. You won't be disappointed. They even took care of the cleaning of our condo for the new owners. Thank you."

Thank you to Jacquie Schettler for this great referral! "My parents lived in their home for 43 years and accumulated 43 years of stuff! The Downsizing Solutions team came to our rescue by eliminating all the stress and anxiety of moving from a house to an apartment for our 91-year old parents.

They were not only efficient, hard working, organized, friendly, timely and professional but also sensitive to our parents' stress levels.

The team demonstrated a great attitude and endless energy while sorting, recycling and labelling items to be donated to others in need. The team visited our home over 3 days to clear out our garage, shed, basement and dad's tool room. A daunting task to say the least.

On moving day they packed the remainder of our house. Upon arrival to our new home, they organized our kitchen, bedrooms, bathrooms and closets. They staged our living room areas to rival any design tv show. The next day they arrived to assemble newly-bought furniture, hang pictures and unpack a few remaining boxes.

Finally they moved out all the donations and garbage from our home, making it ready to put up for sale. To see our mother's expression of joy and happiness is no greater testament.

Thank you to the Downsizing Solutions team; and the movers too."

A great internal move at Heritage Place Retirement.

Did you know they have cottages with full basements???

"You ladies were great to work with. The job was done on time and it was great that I didn't have to do it! This was a dream move compared to other moves we have had.

When I came into my new suite it was like walking into my old suite...everything was put back the exact same way. I loved where you hung my sons' picture. You see it as soon as you walk in the door.

The entire team was fast and efficient. I have already recommended you to others! Mary was very sweet and that's why we chose her.

Thank you."
