## Another great move into Revera Birkdale Place Retirement Residence!

DID YOU KNOW that Revera has an incentive program where they pay for part of your move in??? "What a bonus it was for Revera to refer Downsizing Solutions and to pay for the move! I have never seen anything so wonderful!

It's such a fantastic experience to walk into a room and see all of your furniture exactly where we envisioned it. It really made my life simpler to know I could hand it all over to you and I didn't need to worry about packing or unpacking. A move can be overwhelming and when the team takes so much off our plates it was a blessing. Their movers were amazing too!" ~ Janice S., Milton

**Thanks to Shardie Stevenson for this fun referral!** "I picked up the phone and called Mary. Right away, she said she could help. We had 2 days to get it done! Anybody who doesn't use her company should! As soon as I talked to Mary, I felt relief. Her team was quick and efficient and everything was put in perfect order - from the pictures to the unpacking. It's like she never left her first place. The team took lots of pride in every detail - even in the little things like her paintings. You guys did a beautiful job."

Fabulous job today team! "We want to say a 'HUGE thank you' to Sarah Logue Remax, Team Logue – REMAX Escarpment Realty Inc. for referring Downsizing Solutions to us. We are absolutely speechless. The team was awesome. **We couldn't have done this (house prep for sale) without you.** We were working from home when you were here and we didn't even know you were in the house working. What you did in two days would have taken us two months to do. You were so quick. Thank you so much!" ~ Nadia and Luis, Burlington

**Thanks Sarah Logue Remax for this fun referral! We can't wait to move them when you sell their house!** "I'd like to thank Sarah Logue for referring us to the truly amazing Downsizing Solutions. They came in and were so incredibly fast. We had a 4,000 sq ft home to pack up and get ready to move in less than 2 days – and they did it with smiles, laughter and efficiency I've never seen before. Mary was quick to help us right from the start and checked in regularly throughout the process. Her team carried that attitude in everything they did.

It was highly stressful for us, but they somehow made it fun. We will be hiring them every 5 years to help us declutter our home, whether we're moving or not. Plus, we just want to hang out with them."

**Even when not moving, Downsizing Solutions can help!** "I saw Mary of Downsizing Solutions on YouTube and thought I could use that service. I loved the fact that, even though I wasn't moving, I could slowly downsize once a month for 2 hours each time until it was done. It was a good time in my life to start downsizing so my children won't have to do it. Jennifer was wonderful to work with.

She was patient and understood how I was feeling about donating my things. Thank you so much." ~Rosemary C, Oakville

**Thanks team! A fabulous, slightly complicated, move to Seasons Retirement Community and you pulled it off without a hitch!** "Thank you to Brent from Seasons Milton for recommending Downsizing Solutions. Mary and her team provided efficient, friendly, effortless work.

We required a moving company that would meet all of our needs. Downsizing Solutions met and exceeded our needs. They packed up, moved and set up the suite the same day! The suite my uncle moved to was decorated tastefully and had a cozy feel to it. We absolutely loved it. Your attention to detail was amazing. I sent a picture to a family member who cried when they saw it. We highly recommend Mary and her team to anyone." ~Sandra I, Milton, ON | <https://seasonsretirement.com/>

## **Another happy move into Revera Appleby Place Retirement Residence today!**

"I am grateful Revera paid for my downsize and move into Appleby Place. What a great idea! Sarah Pollice referred me to Mary and her Downsizing Solutions team. This was a miracle. I was crying when I realized how everyone was taking care of me!

From Revera Inc. paying for my downsize and move – to Sara Logue and her Team Logue - REMAX Escarpment Realty Inc. and Krista Barton - to Mary and her team taking charge of the downsize and the move - I am so grateful! People should really take advantage of this service. This took so much pressure off me. Along with the move, Mary and her team even prepped and cleared the house to go on the market. Everything was marvellous.

Your attitudes and efficiency were unbelievable. I was so stressed until I met the team and then I was amazed. You are all so much fun to work with. I even felt comfortable sharing my life stories with you. We had some great chats. You definitely are family now. Please come back to see me in my new home."

"Thank you to the Court of Rushdale for the recommendation for Downsizing Solutions. The service was performed as advertised and discussed and to my 100% satisfaction! The team came in and downsized my house, removed all donations and took a load to my storage unit and son's home and then performed my move into the Court.

The team was excellent, hard working and fun to work with. I would definitely recommend Downsizing Solutions and I have already done so." Thank you, Doug S.

**"This was by far one of the most incredible services I have experienced in my life.** On my own and facing a big move during my busiest season at work, I was desperate to locate some help. A colleague introduced me to Mary Dilly and her team of professionals. The experience was transformational.

Mary took over everything including packing, down-sizing, donating and eliminating the things that did not need to go. She organized the movers (amazing movers), the stagers (for my house sale) and did it all quietly in the background allowing me to continue working. She saved up her "questions" for me and asked them all at once rather than interrupting as they worked. On the day of the move, she drove one of my vehicles to my new city and directed the movers to ensure everything was placed in the right rooms. Everything was unpacked and set up. She even brought dinner so that I was sitting down to a home-made meal at 5:00 pm, using my own dishes on a dining room table that was set beautifully.

No job was too large or too small for her and her team to take on and her cheerful demeanour and commitment to excellence was such a pleasure. I literally cried with relief as she transformed the entire moving experience for me. By the end of the move, we had become like family and I was also delighted that I could donate valuable items I had no longer any need of to the women's shelters that Mary tirelessly donates her time to. I highly recommend Mary and her amazing team of smart, hard-working and kind professionals."
