Great team effort between Team Logue - REMAX Escarpment Realty Inc. and Sarah Logue Remax and Downsizing Solutions!

"Just wanted to say thank you so much for all of your help facilitating the sale of our home. Sarah, Joannie, and team have been nothing but exceptional in helping us every step of the way. Thanks also for connecting us with Mary and her team. They were absolutely incredible. Mary went above and beyond coordinating our transition to the new house. She even brought us dinner which wasn't necessary but was so appreciated (and also delicious)! Her entire team worked tirelessly to make sure we were set up. I would 2000% recommend Mary & her team (in fact, I've already passed her information on to a few friends). You have all been incredible and we just wanted to let you know how much we appreciate your support and professionalism during a stressful time."

"Hey Mary, wanted to let you know that the housekeeper at Appleby Place told Mom today that her place is the most nicely decorated apartment in the building and 'everyone is talking about it'. This is partly due to my Mom's decor sense and choices of what to move, but also because of Downsizing Solutions set up! TY! Thank you for everything.

Your service was amazing and I will certainly recommend you. I have met a few people who know you and have seen you on TV. Everyone was impressed with your services.

Thanks again." ~Barbara

This gentleman loves living at Pearl & Pine Retirement Residence!

“Thank you to Pearl and Pine for referring Downsizing solutions. I received one recommendation and I know why. Right from the initial walk through, the service was wonderful. In one morning, everything was organized and packed and brought to my suite. Everything was removed from my secretary desk and put right back exactly how I had it.

All my clothes were taken out of the closets and hung back up . My bed was taken apart, reassembled and Lee-Anne even insisted on making my bed back up! I couldn't give a higher recommendation. The service was exceptional!! The movers were helpful and thoughtful. Nothing can beat the service of Downsizing Solutions! I will recommend them to everyone!” [Signature Retirement Living](#) | [Pearl & Pine Retirement Residence](#)

Thanks to Marg Morren and Revera The Williamsburg Retirement Residence for the referral to this lovely client and her amazing family!

"The concept embodied in your service is very good. All the elements are covered. Donations to local charities is very important also. The packers reassured me because I was convinced that my stuff would be misplaced or lost. I am so happy that they explained everything to me step by step while packing. I was so nervous and it made me feel so much better. You lifted my spirits.

They went through everything with me and told me exactly what was happening with each item. The entire team was full of good cheer, smiling and reassuring me that everything would go well. I knew I could live through the day and I did! I am now looking around my new home at my favourite things around me. It feels very welcoming. The familiar things that I have collected over the years are with me in my new home. Thank you." ~Pauline L. | [Marg Morren Revera The Williamsburg Retirement Residence](#) | [Revera Inc.](#)

This move into Revera Appleby Place Retirement Residence was a lot of fun!

"I met Mary a couple of years ago to discuss a move. Due to logistics and timing, we decided to do that move ourselves. After realizing how much work it was, we reached out to Mary to help with my mom's recent move and were happy that Downsizing Solutions was available to help.

From the moment my mom met Mary, her mind was put at ease about making one of the most difficult life-style decisions of her life. The communication from Mary, the packers, the movers and the team that recreated my mom's home in a new location were fabulous."

What fun it was to work with this gentleman!

“Sarah Logue Remax referred Downsizing Solutions. I met with Mary and the team was here the next day. The team was very professional and considerate. The ladies were understanding when I needed a break from the emotion of it all. They were so meticulous!! They took the time to unwrap and look at each item.

The ladies were fun and we had a laugh. They didn’t question any of my decisions. I wanted to make sure some of my blankets and items could be donated and the girls were quick to pack them and take them away for donation.

The house prep was done extremely well. I would highly recommend Downsizing Solutions to everyone.”
