We love repeat clients! “Our family had less than 2 weeks to move our mother from her retirement home to an assisted living room at Chartwell Lakeshore Retirement Residence. Having previously used Mary at Downsizing Solutions two years ago for the first move, we knew we only wanted to deal with Mary and her team again. Mary got in touch with us immediately even though she was away on vacation and she was able to quickly get a team of movers in place for us. We added extra pressure as the date changed twice within that short time frame and yet Mary was able to secure the elevators and the men to do the job.

On the move day her guys came on time and were very efficient and professional. A few hours later, they had all the furniture and belongings moved over to the new place and the pictures hung. We knew we could count on Mary and Downsizing Solutions again and we were not disappointed! Extreme thanks Mary.” ~Ann S. | [Chartwell Lakeshore Residence](#)

Another great move to The Williamsburg Retirement Residence.

“The Downsizing Solutions team was on time, efficient and pleasant; even with a move day setback that was completely out of their control! I enjoyed working with Mary and the team leading up to move day, from strategizing the move, deciding what to take and to packing up for move day. Sheila took her time to listen and work out a plan that I was comfortable with.

I am pleased with my new suite at The Williamsburg. I already have friends to enjoy meals with. The choice of furnishings makes my suite feel spacious and like home!”

Another great move into Chartwell Lakeshore!

“Thank you to Chartwell Lakeshore for recommending Downsizing Solutions. I had such a short time to organize the move for my mom and Mary and her team were so accommodating. The day of the move I had so much anxiety but, when Lee-Anne walked in she was so calm and assuring, that I knew I was in great hands. The team was exceptional! They did everything and I didn’t need to lift a finger. Everything was moved and set up with such care for my mom. The team was able to figure out any concerns I had with great professionalism. I would highly recommend Downsizing Solutions to everyone! A thousand stars!!”

When the cat is away, the mice still play! Thanks team for holding the fort down while I am away!

“Thanks Downsizing Solutions. The downsizing and moving overall picture of everything was excellent! Sheila was a godsend. She was helpful, patient and kind. The movers went above and beyond with patience while we decided what to put where. They even hung pictures while we were deciding! They weren’t sure if they could get the tv working but with a touch of a few buttons, the tv works! Everyone started the day with smiles which I very much appreciated. And to top it off, I am 100% happy with my new home at Villa Italia!” ~Sue M

We love smooth moves like the one today where we moved Diane into Chartwell Christopher Terrace Retirement Residence. Diane loved my movers so much, she wanted to keep them. (I said, “no”) 😊

“Mary, your service was excellent. Your movers were very friendly, helpful, respectful. I will highly recommend your business. I am so glad that my church friend recommended you after you downsized and moved her mother. I also really appreciate that you removed items for donation and disposal. Mary was very pleasant and followed through on every promise and even visited me today to make sure that I had happily arrived. I am so excited to be at Christopher Terrace. I chose this place. I lucked out to be able to be here. I got in at an affordable price. I can still enjoy my life and I don’t have to wait for a crisis to happen where I’m not in control of where I live. I am so happy. Thank you.”

“Jennifer and Lee-Anne were amazing to work with. I could not have done this pack up without them. All the boxes were well packed and marked accordingly. The fragile boxes were clearly marked. They were very organized and neat and moved boxes around so we could still move around the house. They gave me peace of mind. Finley loved having them here. Thank you.” ~ Sandy S.

Another amazing move to [VIVA Oakville Retirement Community](#) where they paid for the move for their new resident!

“My father, Ross, and I, would like to thank Mary from Downsizing Solutions for today's move. The transition from a bungalow to a studio apartment was coordinated seamlessly through VIVA Oakville's recent promotion. The team and the movers listened to, and supported, my father's requests. Items were packed efficiently and transported to VIVA within a few hours. Care was taken when the items were unpacked and the team ensured that every detail, from the location of furniture to the height of picture frames, was correct.

Thank you again for your part in making this a smooth transition for my father.”

Our first move into VIVA Meadowlands!

“Thank you to VIVA for recommending Downsizing Solutions. Thank you to Mary for understanding and having Jennifer come to downsize me and pack for my move on many occasions as I could only do a few hours at a time. Jennifer was amazing to work with. She is very sociable, hard working and has mastered her job. I was presently amazed to see how my suite was set up when I walked in.

It felt and looked like home. I feel very comfortable here at VIVA. I have made many friends and the food is amazing and the staff is fantastic as well. I'm looking forward to staying here for a very long time. Thank you to the movers who worked hard to bring my belongings over.”

We love repeat clients!“ A year ago Downsizing Solutions helped us with a move and we were so happy with the service that we chose to use them again! We received the same great service packing up, moving and setting up at Highgate Retirement Residence. The team did it all with smiling faces, they were on time and they were efficient. Everything went smoothly from morning until afternoon. The new room is set up just like dad’s previous space, it is perfect!”
